BROWNDALE COMMANDER

Bred by T. Dorsey Jones. In service at the University of Minnesota. This is just one of the five great bulls bred by T. Dorsey Jones that have been selected to head college herds.

We call your attention to the beautiful blood lines represented in this catalog. Each animal is the kind of an individual you would expect from such strong ancestry.

Hundreds of people have inspected the breeding herd at the T. Dorsey Jones farm during the past ten years and every man who has had this privilege has agreed that no herd of cows is more uniform or contains more quality.

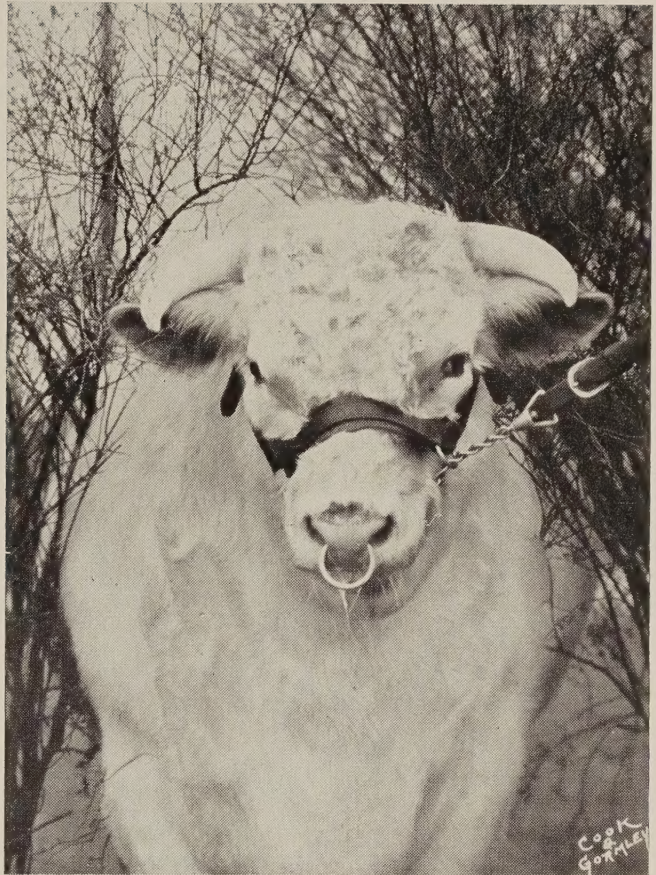

Welcome . . .

Although circumstances make necessary at this time a reduction in the size of the herd, we wish to make it very plain that we are not dispersing and that the Raveni Herd may be considered in the future, as in the past, one of the top sources of supply for correct Scotch Shorthorns. We have made every effort to be thoroughly constructive in our program of breeding Shorthorn cattle. That we have enjoyed a measure of success is indicated by the large number of herds that have been improved through the use of bulls and females of Raveni breeding. Our present offering is made up almost entirely of calves and yearlings that have been produced through the careful intensification of the blood of Browndale Pilot. In our opinion, the value of the females is further enhanced by the service of Klaymor Comet, our International blue ribbon junior herd bull.

We will be happy to greet all of our old customers and many new ones on September 22d. We feel that we are offering in this sale the finest lot of young cattle that have ever been produced at Raveni Stock Farm.

T. DORSEY JONES, Owner
Bert Johnson, Herdsman

The younger Bulls and Heifers in this sale are all full brothers or full sisters to animals that are admired the country over.

BROWNDALE CUPBEARER 1883724

A consistent winner of top prizes and one of the best young herd bulls in the country, has been retained to assist his renowned sire, Browndale Pilot in the Raveni herd. The get of both of these bulls will be a feature of this offering.

No matter where you live or how much expense is involved in making the trip, attendance at this sale will prove highly profitable if you want to be absolutely certain that you are buying wisely. No herd is more favorably known, no herd contains greater uniformity of top quality and none can claim more history in the immediate family of each animal than this one. Indeed, because of the record for the production of scores of herd bulls and foundation females that have made unparalleled breeding and show records, the Raveni Herd is often referred to as "The Premier Herd of America."

The owner maintains, and the writer agrees with him, that this offering contains the best Shorthorns he has ever produced. Certainly the ten young bulls, all blocky, short legged, smooth fleshed youngsters, are a wonderfully promising lot. The female offering, containing 25 head, has a larger percentage of outstanding show ring prospects than has been included in any sale in years.

Through the use of **Browndale Pilot**, Mr. Jones produced Shorthorns that were without equal in quality and type. The intensification of this blood through the use of the best sons of **Browndale Pilot** has resulted in animals that are even more certain of the ability to breed on. The more recent use of **Klaymor Comet**, the International first prize winning son of Imp. Collynie Royal Barrage, has introduced into the herd the improving influence of Scotland's most prepotent blood.

The pictures in this catalog will give a hint as to the outstanding type and quality of the 35 animals in this sale offering. If you are a beginner and uncertain of your judgment as to correct individuality and strong bloodlines, I can assure you that you will make no mistakes in buying at random from this sale offering. If you are a capable judge, you will immediately recognize wonderful buying opportunities.

—Hal Longley of The Shorthorn World.

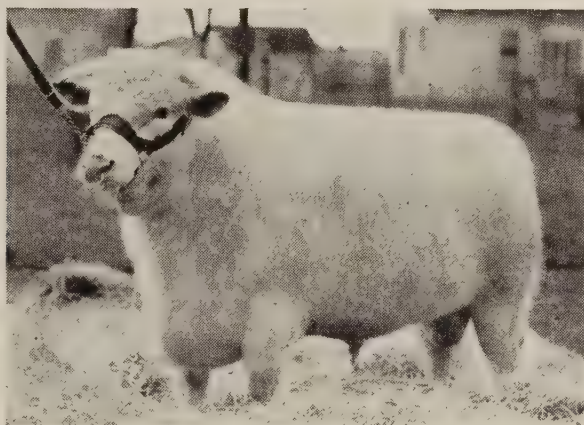

BROWDALE PILOT 1653006

Photo taken at 12 years of age.

ELEVEN years ago, when Mr. T. Dorsey Jones made an unannounced trip to Canada and purchased a son of Browndale Coronet from Jas. Douglas & sons, little did the world think that this calf would make a breeding record that would rival those of his immortal ancestors, Browndale Count, Avondale and Whitehall Sultan. From the standpoint of the show ring records of his own calves; from the standpoint of the breeding records of his sons and daughters in scores of the top herds in the country; in fact, by any means that may be applied for the measurement of the true value of a sire to the breed, Browndale Pilot deserves the title "The Greatest Improver of His Time." We salute you, Browndale Pilot, and we salute you, Mr. T. Dorsey Jones for the position you have earned for yourself as a "Builder of the Breed."—The Shorthorn World.

Two Sires that are Making Present Day History in the Raveni Herd

Right—BROWDALE CUPBEARER—The son of Browndale Pilot that was selected to carry on the work of “the great improver” at Raveni Stock Farm. Five bulls and eight heifers in this sale offering are by him. They are of such top quality that no other evidence will be necessary as to his ability as a sire.

Left — KLAYMOR COMET — Was purchased by us from the famous herd of W. J. Russell, Unionville, Ontario. His sire was the great Imp. Collynie Royal Barrage. Within two months after our purchase, we exhibited him at the International at Chicago and won first prize. His calves are outstanding as you will see on sale day. A few of them are included in this sale offering and a number of females will carry his service.

Every animal in this sale has an enhanced value because of having been produced in one of the most favorably known herds in America. And every animal in this sale will add to the wonderful reputation already enjoyed by Raveni Stock Farm.

BROWNDALÉ GUARDSMAN

★
**BROWNDALÉ GUARDSMAN
2058070**

There is usually a top in every sale and this is probably the one. We are very sure you will find everything you want in a herd bull in this one. His sire, a son of Imp. Collynie Royal Barrage, was good enough to win first prize at the International and this bull is good enough to repeat. Surely his pedigree, tracing to a direct daughter of the noted Collynie Royal Leader, contains the best blood of two continents. Were we looking for a bull to head our herd, we would feel that our search could be ended with this bull. He should head one of the country's greatest herds.

RAVENI AUGUSTA 19th

**RAVENI AUGUSTA 19th
2004287**

Is a rich colored dark roan sired by Browndale Pilot and out of a red granddaughter of Browndale Star. We exhibited her successfully at 1940 shows and if we were not holding this auction sale, we would be exhibiting her in the senior yearling class this year. She has developed beautifully, is very low set, deep and her color is ideal. She will carry a late service date of Claymor Comet. There are three daughters of Browndale Pilot in this sale. We do not ever expect to offer any more of them for sale.

This sale offering is full of Show prospects and here is one of them. She is a beautiful dark roan in color, is deep, level and blocky, and has the head of a future great brood cow. She is out of a grand imported Rosebud cow and it is well to remember that this is the family that produced Imp. Cudham Dreadnaught, Imp. Villager and many other noted sires. No matter how many well bred females you own, you cannot afford to overlook this one. Here is a combination of top individuality and rich breeding that all good students of the breed will recognize. We would never think of selling her if we did not own her dam and a full sister.

Because Klaymor Comet is still a young bull, we are only offering two heifers sired by him. We are very proud of both because they prove that we are making no mistake in using this International blue ribbon son of the great Imp. Collynie Royal Barrage. This is one of the blockiest, most compact, deepest and shortest legged females in the sale and her dam is one of our choicest cows, a dark roan daughter of Browndale Pilot. We do not often sell the females from our celebrated Augusta family but, when we do, they make good for their owners. One of the best females in the Miles-of-View herd is out of the same cow as this one.

Are you going to be the successful bidder on this sweet heifer? You will have plenty of competition but, if possible, you buy her. She is young, but she is due to win in very fast company. None are smoother, more level or better balanced. Her sire, at less than a year old, won first prize at the International. Her dam is one of the breediest and most dependable cows in our herd. She was the dam of Browndale Defender, a top winner, and Raveni Roan Lady 16th, the heifer that won junior championship at Ohio and first at Indiana in 1940. Buy this heifer if you want a winner and a future great producer.

MAXWALTON GLOSTER 74th

**MAXWALTON GLOSTER 74th
2014925**

Perhaps we are wrong in selling this beautiful heifer. However we wanted to have in our sale a top heifer sired by one of the bulls we produced that is making a great record in another herd. We make no secret of the fact that we purchased this beautifully bred daughter of Browndale Conqueror at the second highest price at the recent Maxwalton Sale. We bred her on June 9th to Klaymor Comet and one of the top calves of the breed should result from this mating. From the standpoint of color, type, character, quality, ancestry and future money-making possibility there will be no finer female offered this year.

Is a perfect dark roan in color and we consider her a very valuable foundation female. We showed her a few times last year and the judges liked her but we believe she can do even better as a senior yearling this year. She has a beautiful head and is of thoroughly modern type. Please note that she is a granddaughter of Browndale Pilot and out of a daughter of Imp. Brawith Boy. The family that produced her is the same family that produced Browndale Pilot. She is in calf since May 5, 1941 to Klaymor Comet, an International first prize winning son of Imp. Collynie Royal Barrage.

While it hurts to sell heifers like this, we like to do it because they make real friends. Here is a level, true, smooth, blocky heifer that has great quality and character. She is a daughter of Browndale Cupbearer by Browndale Pilot and out of a beautiful red daughter of Browndale Star. Also, to further recommend her, she comes from the famous Manson Beauty family that produced Raveni Leader, used with such great success at Edellyn Farms. She can show and win as a summer yearling this year and certainly she will make a great brood cow.
